Form: CIAS 2.

- 6. The Scheme requires that all BuildCert members have in place and continue to maintain a quality system that ensures that the manufactured product is of consistent quality and that all subsequent operations have no detrimental effect.

Manufacturers can demonstrate compliance by supplying the Scheme with a copy of a valid ISO 9001 certificate and scope of accreditation. Where this cannot be supplied a quality audit will be conducted by the Scheme to verify compliance with the requirements of the Scheme.

Factors can demonstrate compliance with only those aspects of ISO 9001 that affect the product. Demonstration of compliance can be achieved by supplying the Scheme with a copy of a valid ISO 9001 certificate and scope of accreditation. Where this cannot be supplied a quality audit will be conducted by the Scheme to verify compliance with the requirements of the Scheme.

A Primary factor is a company/individual who does not manufacture the product but distributes a certified product under his own trade name.

This application is from: **(tick as appropriate)**

A Manufacturer.

A Primary Factor Details of Original Certificate.....

- 7. DECLARATION for Factors only: Is the product supplied by your company identical to the already approved and licensed product (excluding identification) YES / NO

- 8. The sample supplied is from a production batch YES / NO

- 9. Make sure the following documents are enclosed. If they are not enclosed give reasons why. Please tick box to state you have enclosed the documents.

For information: -

- Instructions for use **must** be supplied with the inhibitor and shall include specific information relating to filling central heating systems and recommended inhibitor concentration levels.
- The Scheme **must** be supplied with the Chemical analysis of the corrosion inhibitor and include details of the pH, odour, colour, form and specific gravity.

(a) Chemical Analysis

(b) Product literature, i.e. sales brochures

(c) Instructions for use

(d) ISO 9001 Certificate and scope

(e) Material Safety Data sheet (MSDS)

The CIA Scheme is an independent third party Certification Scheme administered by BuildCert Ltd, under the remit of the BuildCert Certification Scheme.
